

CHUTE

Ideal for slicing thin loaves

Load in series 5 to 7 equally sized Pullman loaves.
The Chute will slice them non-stop for you.
This slicer will save you a great deal of physical effort.

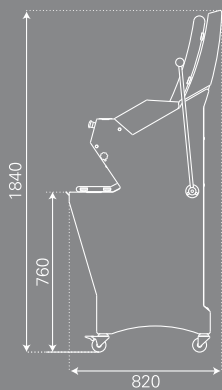

CHUTE

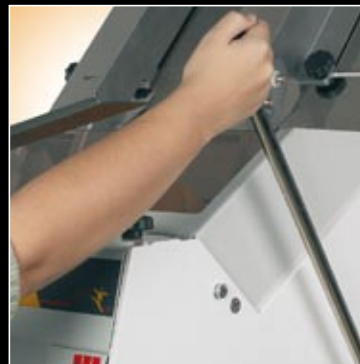

Due to an ingenious system allowing to fold back the bag opening blowing device (optional), the Chute can be stored in a small space after use.

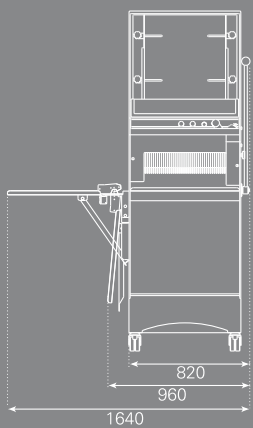

DIMENSIONS (mm)

The equally sized Pullman loaves are loaded. Slicing can be carried out in series or per individual loaf, depending on requirements.

The traction lever helps push the last loaves into the slicing blades.
