MAIN STRENGTHS

Foldable bag blower (option)

Saves packaging time.

Front control panel

Motorised adjustment of the upper belt height (height of loaves). Next to the front panel controls, a timer accurately records your working time.

Rear loading belt

Provides uniform continuous cutting, thanks to adjustable side guides.

Variable speed drive

Allows the cutting speed to be adjusted to suit the type of bread.

BPA-free paint

100% BPA-free satin paint (Bisphenol A): safer for you, gentler on the planet. Its low-temperature curing process significantly reduces energy consumption. Available in three solid colours: white, black or grey.
